Dear Sir:

This Amendment is in response to the Office Action mailed on January 13, 2006. This Amendment is necessary and was not earlier presented, because it responds to new arguments regarding the rejections made to the claims. The present Amendment is also necessary in order to place the case in condition for allowance by canceling the rejected claims and amending claims that have been indicated to contain allowable subject matter to be in a form so as to be allowed. Since the present Amendment does not provide new issues that require a new search and reduces the issues for Appeal by canceling various claims, Applicants request that the

present Amendment be considered and entered. Accordingly, please cancel claims 26-28, 30-42, 62 and 81-84 without prejudice as follows:
